

from the country. Add this to the large number of uninsured families who live in these communities, and the crisis facing rural health care delivery is clear.

Despite numerous efforts to increase reimbursement rates for rural health services and our ongoing quest to cover the millions of uninsured across America, rural people are still hurting. It takes people like the Steffeys, who are willing to make a sacrifice to meet the needs of rural communities today, while we continue to work towards solutions for tomorrow.

On March 1, 2003, Dr. and Mr. Steffey took ownership of the La Pine Community Clinic. I hope that their vision is rewarded with great success. I join the many grateful residents of La Pine in naming them as Oregon Health Care Heroes and thank them for bringing hope and healing to La Pine.●

GEORGETOWN FIRE COMPANY'S 100TH ANNIVERSARY

● Mr. BIDEN. Mr. President, I rise today to give congratulations to one of the great local fire departments in Delaware, the Georgetown Fire Company, which is celebrating its 100th anniversary this month. This anniversary is a tribute to those who had the vision to found the fire department and to those volunteers who have carried on this tradition all the way through today.

We are very lucky in Delaware to have such a rich history of volunteer community fire departments. With the addition of the Georgetown Company, we have had 15 fire companies in our state celebrate 100 years of service. In fact, we have even had 3 companies—Lewes, Carlisle of Milford, and Good Will of New Castle—celebrate 200 years of service.

With such successes though, it is easy to forget the humble beginnings of many of these departments. On April 11, 1903, the town commissioners of Georgetown announced in a town meeting that it would be forming a fire company to bring down the cost of fire insurance. Before the establishment of a fire company, the community had relied on so-called bucket brigades and a hand-drawn ladder wagon.

When it was founded, there were fourteen charter members of the Georgetown Fire Company and only one piece of fire equipment. Today, there are almost one hundred members of the company and an entire fleet of state of the art fire equipment.

And as a testament to the unceasing dedication of the volunteers who serve in this company and to the respect and veneration it has in the community, almost half of the members of the Georgetown Fire Company are life members or honorary members. Many members of the company who have served their town as volunteer firefighters for decades never stop serving.

The Georgetown Fire Company has become an integral part of the commu-

nity it has served. It has saved the lives and the property of many. In the town of Georgetown, everyone knows who the real heroes are.

It is my privilege to share the company's great history with my colleagues and with our fellow citizens today. We honor the company's 100th anniversary and the extraordinary commitment that it has never stopped showing to its community. Congratulations to all of the officers, members, and friends of the Georgetown Fire Company. It is very well deserved.●

COMMENDING JOHN KOERNER ON HIS RETIREMENT FROM THE U.S. FISH AND WILDLIFE SERVICE

● Mr. JOHNSON. Mr. President, I rise to recognize Mr. John Koerner's long, distinguished career with the United States Fish & Wildlife Service. John began his career in 1972 in Valentine, NE at Fort Niobrara National Wildlife Refuge. Before he arrived at his "dream location" of Sand Lake National Wildlife Refuge, he was stationed in the South Dakota communities of Madison, Pierre and Waubay. John has now managed the Sand Lake NWR for 15 years. This refuge has a wonderful reputation within the refuge system, and that reputation reaches far beyond its borders. In 1988, because of its importance to migratory birds, Sand Lake was designated as the 16th Wetland of International Importance in the United States. This designation was proposed under John's guidance, and supported by myself and U.S. Senator TOM DASCHLE.

During his time in South Dakota, John has been instrumental in reaching out to the public he serves through effective outreach and environmental programs. The annual Eagle Day event held at Sand Lake Refuge has grown from one carload of visitors attending the first Eagle Day event to well over 1,200 visitors attending in 2002. John has also enhanced the youth, education and outreach programs during his time at the refuge.

John has been an articulate and outspoken voice on water and conservation issues concerning the James River. His coordination efforts with local, State and Federal agencies, during major flooding events and day-to-day operations have been an asset to Sand Lake Refuge and to the communities and landowners up and down the James River. His knowledge of the James River has been very helpful to South Dakota's congressional delegation.

John's coordination efforts with all of South Dakota's congressional offices have been beneficial to both the FWS and the citizens of South Dakota. His knowledge of FWS history, compatibility issues, and his vast experience has provided him with a "common sense" approach to resolving issues before they become major problems. I know that John Koerner has provided extremely valuable assistance to my

offices in working through many of the difficult issues that have been brought forward during his tenure.

I commend John Koerner for his work with the U.S Fish & Wildlife Service. His contributions will benefit many generations to come.●

TRIBUTE TO ORLANDO "TUBBY" SMITH

● Mr. BUNNING. Mr. President, today I honor and pay tribute to University of Kentucky Basketball coach and friend Orlando "Tubby" Smith. Coach Smith was selected today as the 2003 Naismith College Basketball Coach of the Year.

Earlier this year, Tubby was also named the Nation's top coach by the Sporting News, ESPN, and the Basketball Times. Coach Smith led the University of Kentucky Wildcats to an outstanding 32-4 record this season, including a NCAA season-high 26 game winning streak. The Wildcats' winning streak this season was the Nation's longest in seven years.

Coach Smith is more than just a basketball coach to his players at the University of Kentucky. He is a skilled teacher of the game of basketball, but he also teaches his players important lessons about life and instills a sense of character in them that allows them to excel both on and off the court.

Tubby and his wife Donna are also very active in many communities across Kentucky. Over the past 5 years, they have raised over \$1.5 million for the Tubby Smith Foundation. Through annual auctions, golf tournaments and other events, Tubby and Donna have devoted much of their time and energy to assisting underprivileged children in Kentucky through their foundation.

I am proud to have Coach Smith represent the great Commonwealth of Kentucky. He is a fantastic basketball coach and a prominent community leader. I ask my colleagues in the Senate to join me in congratulating him on receiving the 2003 Naismith College Basketball Coach of the Year Award.●

SOUTH DAKOTA STATE UNIVERSITY LADY JACKRABBITS

● Mr. JOHNSON. Mr. President, I rise today to recognize and congratulate the South Dakota State University Lady Jackrabbits. The Jackrabbits, under head coach Aaron Johnston and assistant coach Laurie Melum, won the National Division II Basketball Tournament against Northern Kentucky March 29 in St. Joseph, MO.

Coach Johnston's squad went through the 2002-2003 season with a school-record 32 wins against just three losses. The Jackrabbits entered the tournament with an impressive 32-3 mark and defeated Cal State-Bakersfield and Bentley before rallying to overtake Northern Kentucky, 65-50, for the first ever women's basketball national title.

The team was guided this season by the leadership provided by seniors Melissa Pater and Karly Hegge. Joining
